

E – transfer is a simple, convenient and secure way to send and receive money directly from one bank account to another. All you need is access to online banking through a participating financial institution and you can send money to anyone with an email address and a bank account in Canada without sharing any personal or financial information.

It's a great alternative to cheques and cash.

To send an E-Transfer:

Login to your online banking

Choose Interac E-Transfer from your menu options

Select recipient by entering email address gwylie@isopolar.com

Fill in the Interac E-Transfer information (dollar amount, account from which to withdraw the funds, **a security question that only you would know the answer to** and a short personal message stating what the monies being sent to ISO Polar Airships cover. (Please include your address in the personal message. **DO NOT** include the answer to the security question in this message, that will come later via separate message)

NOTE: E-transfer limit per transfer is \$3000.00; payments for more than \$3000.00 will need to be broken down into 2 separate E. Transfers.

Follow your banking institution's instructions to confirm the information and complete the transfer.

Once the transfer has been completed please email ISO Polar Airships Inc. at gwylie@isopolar.com to confirm you have sent the E-transfer. **Please include the answer to your security question in this email.** We will use your answer to **transfer the funds to our account.**

Tracking your E-Transfer

As a sender – Interac E-Transfer confirmation numbers are saved in your online banking history. In addition, you will receive an email notification and/or text message once the intended recipient has accepted the transfer.
